

A stylish and modern column luminaire available with a clear diffuser or with integrated louvre for low glare. Two heights are available in each style.

- Extruded aluminium pole with die-cast lamp head and polycarbonate diffuser.
- Two versions available with different light distribution: top light source with clear diffuser and central light source with anti-glare louvre.
- High quality LED chips and driver.
- UV protected pure polyester powder coated housing offering high corrosion resistance.
- Suitable for use with a range of controls and remote management systems.
- All external screws are 304 stainless steel as standard.
- RAL9007, other RAL colours available on request.
- Other sizes available on request.
